International Conference on **2016** *Electrochemical Energy Science & Technology*

August 16-22, 2016, Kunming, Yunnan, China

EEST 2016 Report

The International Conference on Electrochemical Energy Science and Technology 2016 (EEST 2016), the third annual Conference on Electrochemical Energy Science and Technology was successfully held from August 16-22th, 2016 at Kunming University of Science and Technology (KUST), located in beautiful Kunming, Yunnan, China. The conference was hosted by Kunming University of Science and Technology (KUST) and International Academy of Electrochemical Energy Science (IAOEES); co-organized by Yancheng Institute of Technology (YCIT) and Shanghai University (SHU, College of Science).

The conference attracted over 300 leading scientists from more than 20 different countries to hear presentations from world renowned researches in six major technology streams including: Fuel Cell; Batteries & Supercapacitors; Electrolysis & Hydrogen; Electrochemistry energy fundamentals; Advanced electrochemical materials (nanomaterials); Electrochemical energy industry.

Throughout the three-day conference, the attendees were immersed in the latest of the art electrochemical knowledge by 6 exceptional plenary talks, over 100 keynote speeches, invited talks, and oral presentations.

IAOEES 2016 workshop

IAOEES 2016 Workshop "Conversation with Editors" was successfully held at August 16th, 2016. Dr. Guangchen Xu (Deputy Editor of Adv. Energy Mater.), Dr. Prashant V. Kamat (Editor-in-Chief of ACS Energy Letters), Dr. Krik Schanze (Editor-in-Chief of ACS Appl. Mater. Interface), Dr. Luke Batchelor (Senior Editor of Nature Communications), Dr. Khalil Amine (Associate Editor of Nano Energy) gave impressive talks on the topic "How to Publish Your Research Results on Top Journals"
